

Wayfarers' Chapel

GW-1-A

WAYFARERS' CHAPEL
Portuguese Bend, California

Designed by Lloyd Wright, and built almost entirely of glass, the Chapel will eventually be enclosed by evergreen trees now planted around both sides.

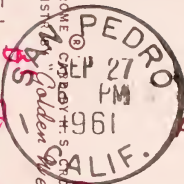

Sept-26

Dear Folks! Les and I have been driving all around northern Calif. & now we are in L.A. area at San Pedro. all five girls are in school & well set-up. Spent a day with Ellen Cheated, Ann - so very sorry to hear about your son-in-law. Do hope Gennie is happy where she is. We bought an Oldsmobile 88 - enjoying it.

From natural color photography by Geo. E. Watson

Clear alove to you all - Eleanor & Les
